

FIIDS

Foundation for India and
Indian Diaspora Studies

INITIATIVES

- **Policy Monitoring and Advocacy:** *monitoring bills/resolutions introduced in elected bodies pertinent to Indian-Americans; providing actionable guidance.*
- **US-India Policy Engagement:** *bringing together policymakers and experts to discuss US-India areas of cooperation.*
- **Conferences and Discussion Panels:** *partnering with think tanks and geopolitical/subject matter experts on global issues and foreign affairs.*
- **Election Awareness & Outreach:** *educating and mobilizing Indian-Americans to actively participate by providing them with analyzed information.*
- **Analysis, Research Papers & Factsheets:** *publishing factsheets, survey-based analysis, and reports on migration, India, and diaspora issues (e.g., identity, politics, trade, investments, etc.).*
- **Congressional and High School Internships:** *hosting annual summer internships for high school students; and congressional internships for graduates and undergraduates at public offices and Capitol Hill.*
- **Building Community Bridges:** *developing people-to-people connections, for example with Asian, Jewish, Afghan, Fijian, Caribbean, Spanish, African-American, and other communities.*
